Canton last night, and ditto, of New Lisbon.

Solan G. Fee is still faithfully and heroically prosprosecuting his labors in Kentucky. Speaking of ing of a college mate who had removed to the South, he said : a discussion which we noticed lately, he says:

four days, on the Slavery question, in Campbell --slavery not excepted. In my opinion he is one county, Ky. The audience was truly encouraging of those men (or going to be) who, cradled in the in size, good attention, and uninterrupted good liberty,—come here to give up their principle. Will be held at the Masonic Hall the first week in size, good attention, and uninterrupted good

the people. If we once get free speech and open discussion throughout the State, the work of enable pation will soon be complete. Human Slavery will fall before free discussion, like Dagon before the ark of God. Though slaveholders and experience all teach him better, and gogues are as vigilant as ever, yet the people in whose hands the power is, are manifesting dally and determination to read and hear for themselves. It is the basest feel, and three colporteurs, whose daily business
